Email from Councillor Duckworth regarding
proposed changes to Mandale Park

Councillor Duckworth/Programme Officer

16th June 2011

Natalie,

I will forward you the details from my council emails.

Regards,

Ian.

Dear Councillor Duckworth,

In response to your email below, "The Councils" can propose to make amendments to the DPD at any stage during the Examination. The changes might be very minor and not go to the issues surrounding "soundness". However, some changes might even make the DPD sound when it might otherwise have been declared unsound by the Inspector. Additionally, changes might be proposed by the Inspector to make the plan sound. So in answer to your question "Yes it can be done." However, there has to be an appropriate degree of publicity for any changes proposed.

I hope this helps. However, if you need any further information, please do not hesitate to contact me.

Regards

Rochdale planning officers are now proposing to amend the Waste Plan. Can this be done? Or does the "soundness" of the plan stand or fall in it's present form?

Regards,

I.D.
